

*Save money!
Learn new things!*

Meet new friends!

*Be more self-sufficient!
Get help & give help!*

The Time Trade Circle

Have you ever noticed that people are good at different things? The Time Trade Circle[®] lets us share our own skills and get help from others who offer things we need.

When you spend an hour helping another member, an hour is added to your account.

You can spend your hours getting services from other members.

To join, you attend an orientation, and sign up online. It's easy, useful, and fun!

Some recent trades in 2010 in TTC include:

- giving rides around town, to Ikea, to airport
